APPLICATION FOR A GRANT

The Ray & Joyce Uebergang Foundation was established by Miss Joyce Uebergang in memory of her brother, for the benefit of charitable purposes in Victoria.

Applications for assistance from the Ray & Joyce Uebergang Foundation should be made in writing. Applications are considered quarterly, and should be lodged by 10th March, 10th June, 10th September or 10th December.

There is no set form of application. Applicants should provide as much information as is considered necessary to support the application. Attachment of large quantities of material should be avoided. The application is requested in duplicate.

The attached application form may be used, but if insufficient space is provided or some items are not relevant to your application it is not necessary slavishly to follow the form.

Applicants should be aware that the limited funds of the Foundation do not allow for all proposals of merit to be funded. An unsuccessful application does not necessarily mean that it was not well regarded by the Trustees. Accordingly, the Trustees' decisions are not open to review.

In case of such applications, where appropriate, the Foundation will lend its assistance and identify other funding sources that may be available.

Applications should be sent to:
